

Barns Green Players

Open Evening

March 12th

Barns Green Village Hall

@ 8.00pm

Over the years we have staged countless performances ranging from Shakespeare to classic pantomimes. We always strive to make our performances as professional as possible and have built a reputation for quality acting, costumes and sets. We are not a large group but are lucky to have such skilled and committed members. Our talented backstage crew design sets and costumes but everyone gets involved with painting, sewing and making refreshments!

We aim to put on at least two or three performances every year, a comedy two-act play as part of a 'bring your own supper' evening, a pantomime and junior productions. We also have regular social events.

We are always looking for new members.

Joining the Players is a great way to expand your group of friends and if you fancy joining but the stage is not necessarily for you then, perhaps you would prefer to be behind the scenes in technical, backstage, makeup or costumes or even just making the tea!

Involvement in amateur theatre offers the perfect release from the stresses of everyday life and is a fun way to meet new friends. At the end of each production, we have a party that always wraps up each show perfectly.
