

Synopsis (Julius Caesar – 2027)

Encouraged by his scheming brother Noxious, Julius Caesar invades Britain in an attempt to re-establish the fortunes and finances of the Roman Empire. They capture three young British soldiers who they intend to use to find out more about the British defences of the Tower of London. Glorious, the beautiful daughter of Caesar takes pity on the boys and falls in love with one of them, Garry.

Noxious is determined to press ahead with the invasion and he and his henchmen make several attempts to kill Caesar so that Noxious can become Emperor. All the fun of the Panto, a mad inventor, a chef and lots of other unusual characters add to the fun and chaos of the Roman Army's arrival in Britain. Will the evil plan of Noxious succeed? Why has the Godfather made an appearance? Will there be poison on the pasta or poison on the pizza? Will Garry and Glorious save the day? And how will Caesar get on with his new Formula 1 Chariot? All will be revealed
